# SCORPION<sup>®</sup>

A HUGE thank you to Scorpion Technologies for yet another extremely generous donation of laptops, therefore giving more children an opportunity to advance in their academic futures with technologies in their homes.

## WE HAVE LAPTOPS IN STOCK!

Please help us spread the word as we would like to get them into the hands of children that need and could use them.

## Sharing Our Mission

Tech4Kids' very own founder and President, Amy Longtin, was a guest speaker at **Startup Brew** on March 8th at Drekker Brewing Co. and was a guest on **New Day with Ashley** Podcast.

Amy spoke about why and how Tech4Kids' non-profit was started, our mission and the process of how laptops get into the hands of children in need.
